SECTION IX.—POSTAL DIRECTORY.

LIST OF POST TOWNS IN SCOTLAND,
INCLUDING ORKNEY AND SHETLAND.

EXPLANATIONS.

When in the subjoined list *one* place only is mentioned, it is a *Head Office*, and when there are *two*, the first is a *Sub-Office*, and the second is the *Head Office* to which the first is subordinate.

With some exceptions, all *Head Offices* are *Money Order Offices*, but sometimes there is a *Money Order Office* nearer to the *Sub-Office* than is the *Head Office*. In these cases such *Money Order Office* is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town Receiving Offices*, those only are entered at which *Money Order* business is transacted; and these will be found under the names of their respective *Head Offices*.

Offices at which both *Money Order* and *Savings Bank* business is transacted, are marked thus *, and those which are *Money Order Offices* but not *Savings Banks* thus †.

The last word in the *Address* of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the *Post-Office* at that town is only a *Sub-Office*, in which case the *Head Office* to which this *Office* is subordinate must be added; and except also that where there are two *Post Towns* of the same name, the county must be given.

Inland Postage Regulations.

LETTER POSTAGE.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, *if paid in advance* :—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	2d
" " more than 1 oz., "	"	"	$1\frac{1}{2}$ oz.	...	3d
" " more than $1\frac{1}{2}$ oz., "	"	"	2 oz.	...	4d
" " more than 2 oz., "	"	"	$2\frac{1}{2}$ oz.	...	5d

and so on, one penny being charged for every additional half-ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, or one foot in breadth and depth. The only *exceptions* to these regulations are in the case of—1. Addresses to Her Majesty; 2. Petitions to either House of Parliament, forwarded to any member of such House without cover, or in covers open at the ends; 3. Printed votes or proceedings of Parliament; 4. Letters or packets to or from public departments or public officers in Her Majesty's Service; 5. Letters, &c., to or from certain places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge

Re-directed letters are charged an additional postage for each re-direction, according to the Prepaid Scale

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate

By the 1st Victoria, cap. 33, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit

PERIODICAL PUBLICATIONS, INCLUDING NEWSPAPERS.

Periodical Publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers), may be transmitted or re-transmitted through the post within the United Kingdom, free from postage, under the following regulations, viz. :—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table. —

Amount of Stamps impressed on the Publication	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One penny.....	Two	2,295 inches.
Three Halfpence.....	Three	3,443 „
Twopence	Four	4,591 „

The impressed stamp on each publication must be at least of the value of one penny

The title and date must be printed at the top of every page

The publication must be folded so that the whole of the stamp or stamps denoting the full duty shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination

The publication must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise

It must be posted within fifteen days from the date of publication

It must either have no cover, or a cover open at the ends

It must contain no enclosure

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vendor who sends it. For any breach of this rule 2d is charged

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d—must be affixed, otherwise it will be charged 2d on delivery

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom and to the Colonies, under the regulations of the Book Post

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom

REGISTRATION OF LETTERS, &c.

By the prepayment of a Fee of Fourpence (which must be made not in Money, but by affixing stamps), letters, books, or other packets paying *ordinary*

postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery. Letters may also be registered to a British Colony or to Italy for a Fee of Sixpence.

All Inland letters which are found to contain enclosures of coin are treated as Registered, even though they be posted without registration.

BOOK POSTAGE.

	Not above 4 oz.	...	1d
Above 4 oz.	...	8 oz.	2d
... 8 oz.	...	16 oz.	4d
... 1 lb.	...	1½ lb.	6d

and so on, increasing 2d per half-pound, or any less weight.

No Book Packet must exceed two feet in length or one foot in width or depth.

CONDITIONS ON WHICH BOOKS ARE FORWARDED AT THE ABOVE RATES.

The postage must be fully prepaid, by means of postage stamp affixed.

Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book postage, together with an additional rate of a penny, but any packet which bears no postage stamp is charged with double the Book-postage.

When a Money Order is applied for, it must be on the clear understanding that no such claim will be allowed, and that the Post Office is not liable, under any circumstances, to more than one payment of a Money Order, even when, notwithstanding the precautions that are taken, the Order has been paid to a person not entitled to receive the Money.

ABSTRACT OF REGULATIONS.

Every Money Order Office at which deposits can be received, will be open for that purpose, and for the repayment of moneys withdrawn, during the hours appointed for the transaction of Money Order business at such Office.

Deposits of One Shilling, or of any number of Shillings, or of Pounds and Shillings, will be received from any Depositor at the Post Office Savings Banks, provided the deposits made by such Depositor in any year ending on the 31st day of December do not exceed £30, and provided the total amount standing in such Depositor's name in the books of the Postmaster-General do not exceed £150, exclusive of interest. When the principle and interest together, standing to the credit of any one Depositor, amount to the sum of £200, all interest will cease so long as the same funds continue to amount to the said sum of £200.

Every Depositor, on making a first deposit, must make and sign the following Declaration, to be witnessed by the Officer of the Postmaster-General appointed to receive deposits, or by some person known to him, or by a Minister or a Churchwarden of the parish in which the Depositor resides, or by a Justice of the Peace, and if such Declaration, or any part thereof, shall not be true, the Depositor making the same will forfeit and lose all right and title to his deposits:—

Copy of Declaration, to be signed by Depositor on making first Deposit.

In pursuance of an Act of Parliament, I— of —do hereby declare to the Postmaster-General that I am desirous on my own behalf, to become a depositor in the Post Office Savings Bank. I do further hereby declare, that I am not directly or indirectly entitled to any deposit in, or benefit from the Funds of this or any other Savings Bank in Great Britain or Ireland, nor to any sum or sums standing in the name or names of any other person or persons in the books of the said Post Office Savings Bank; and I do hereby also testify my consent that my deposits in said Post Office Savings Bank shall be managed according to the Regulations thereof.

Witness my hand this day of 186

Signed by the said Depositor in the presence of me, _____

Save and except such benefits as I may be entitled to from being a Member of a Friendly Society, legally established, or from such sum or sums as may be standing in my name as Trustee jointly with the Name or Names, and on behalf of any other Depositor or Depositors.

Every deposit received by any Officer of the Postmaster-General, appointed for that purpose, will be entered by him at the time in a numbered book, and the entry will be attested by him, and by the dated stamp of his office, and the said book, with the entry so attested, will be given to the Depositor, and retained by him as primary evidence of the receipt of the deposit. The Depositor must sign his name in the place provided for his signature in the Depositor's Book. The amount of each deposit, and the name, occupation, and residence of the Depositor will, upon the day of the receipt thereof, be reported to the Postmaster-General, and the acknowledgment of the Postmaster-General for the said deposit, signified by the Officer appointed for the purpose, will be forthwith transmitted by Post to the Depositor as the conclusive evidence of his claim to the repayment of the deposit with interest thereon.

If the Depositor does not receive the acknowledgment within ten days from the day on which he made the deposit, he must apply for the same to the Postmaster-General, by letter, and if necessary he must renew his application to the Postmaster-General until he receives the said acknowledgment.

Interest, calculated yearly at the rate of Two Pounds Ten Shillings per cent., per annum, will be allowed on every complete Pound deposited, and will be computed from the first day of the calendar month next following the day on which a complete Pound shall have been deposited, or on which deposits of a less amount shall have made up a complete Pound, up to the first day of the calendar month in which moneys are withdrawn.

The interest thus calculated will be at the rate of one Halfpenny per calendar month for every complete Pound.

The interest will be calculated to the 31st December in every year, and will then be added to, and become part of the principal money.

Deposits may be made by—

- (A) A Trustee on behalf of another person, in the joint names of such Trustees and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipt and receipts of both the said parties.
- (B) By, or for the benefit of, any person under 21 years of age, and repayment will be made to such minor, after the age of 7 years, in the same manner as if he were of full age.
- (C) By married women; deposits so made, or made by women who shall afterwards marry, will be repaid to any such women, unless her husband shall give notice in writing of such marriage to the Postmaster-General, and shall require payment to be made to him.
- (D) By the Trustees of any legally established Friendly, Charitable, or Provident Society, or Penny Savings Bank.

[NOTE.—In these cases the Trustees must first make special application by post to the Postmaster-General, accompanied by a copy of their rules.]

This Book must be forwarded *once in each year, on the anniversary of the day on which the first deposit was made*, to the Principal Office of the Postmaster-General, in a cover to be obtained at any Post Office Savings Bank, in order that the entries may be compared with the entries in the Books of the Postmaster-General, and that the interest due to the Depositor may be inserted in it.

No charge will be made for the Books at first supplied to Depositors, or for Books issued to them in continuation thereof; but if any Depositor shall lose his Book, and shall desire a new Book, application must be made by him to the Postmaster-General by letter, stating the circumstances, and enclosing Postage Stamps of the value of One Shilling to pay for the new Book. should the application be granted.

No charge for postage will be made upon Depositors for the transmission of their Books to the Postmaster-General, or for the return thereof to them, or for any applications they may have to make for acknowledgments of deposits, or for any application or necessary letter of inquiry respecting the sums deposited by them, or for the replies thereto.

A Depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established, and on his written application, accompanied by his Book, to the Chief Office of the Postmaster-General, in a Form to be obtained at any Post Office Savings Bank, he will be fur-

nished with a certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed.

A Depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the Trustees or Managers of such Bank a certificate stating the amount due to him, and thereupon his account with such Bank will be closed.

The Certificate may be delivered to any Officer of the Postmaster-General authorised to receive deposits under the Post Office Savings Bank Act, and will be received by him as a deposit of the amount therein set forth, and on the said Certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the Depositor, and an acknowledgment for the said amount will be sent to him.

Any Depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same to the Postmaster-General, in a Form, a printed copy of which may be obtained at any Post Office Savings Bank.

In this Form the Depositor must specify the particulars therein required, and on receipt of it at the General Post Office in London, a Warrant for the amount required, payable at the Office named by him, will be sent to him by post.

This Warrant must be presented by the Depositor at the Post Office named thereon, together with the Depositor's Book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature, and the dated stamp of his office. The Postmaster will take a receipt from the Depositor, on the Warrant, for the amount repaid to him, which receipt is not chargeable with Stamp Duty. The Postmaster-General will endeavour to prevent fraud, and to identify every Depositor transacting business with the Post Office Savings Bank; but if any person shall fraudulently represent himself to be a Depositor, and by forwarding the proper notice of withdrawal, and by presentation of the Depositor's Book, and compliance with the Rules of the Department, shall obtain any sum of money belonging to that Depositor, the Postmaster-General will not be responsible for the loss thereof.

Repayments will be made only to the Depositor in person, or to the bearer of an order under his hand, signed in the presence of either the Minister or a Churchwarden of the Parish in which the Depositor resides, of a Justice of the Peace, or, in case of sickness, of the Medical Attendant. If the Depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides.

A Form of Order, to be signed by the Depositor on such occasions, may be obtained at the Post Office at which the Warrant is made payable.

The Officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any Depositor, nor the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his Officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Act.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconveniences and defects of Suretyship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, and most of the Public Companies, Bankers, Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of

obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

Rates from 10s per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.

ANNUAL MEETING, 1864.

FIRE DEPARTMENT.

AT the Annual Meeting of the Proprietors, held at Liverpool on the 27th October, 1864—Bernard Hall, Esq., Chairman of the Company, in the Chair, the Directors' Report for the year stated—

That the Fire Premiums for the Year amounted to.....	£101,085
being an increase over the preceding year of	30,785
and greater by.....	7,900
than the largest increase shown in any previous year of the Company's existence.	

That the Fire Reserve Fund now stands at.....	114,312
---	---------

That the Claims paid and outstanding were.....	65,267
--	--------

showing losses beyond the usual average, the year having, in this respect, proved an exceptional one for the "Queen" as well as for other Fire Insurance Companies.

(It is believed that an Income from Fire Premiums of £101,000 has rarely, if ever, before been reached by any Office in its Sixth year.)

In the last Report reference was made to the Government return of Fire Insurance Duties as one of the tests of the growing popularity of the Company within the United Kingdom. It now appears that for the past year the Increase of Duty (£4,897) exceeded the increase of any former year by upwards of £2,300, and represented new Annual Insurances to the extent of over Three Millions Sterling.

LIFE DEPARTMENT.

The Report showed that during the year 533 Proposals were made to the Office for Assurances, to the extent of £326,558, of which 118 Proposals for £88,600 were, for various reasons, declined. That 63 Proposals for £32,870 were not proceeded with. That 352 Life Policies were completed and issued for £205,088, being an increase over the preceding year of £57,508. That the New Life Premiums were £6,371, being an increase over the preceding year of £2,421. That the Life Income was £23,531, and that upwards of 60 per cent. of the entire Net Premiums was added to the Life Fund.

ATLAS ASSURANCE COMPANY,

92, CHEAPSIDE, LONDON, E.C.

FOR

Assurances on Lives and on Survivorships, and against Fire.

Capital—One Million Two Hundred Thousand Pounds.

Instituted 1808, and Empowered by an Act of Parliament of the 54th Geo. III.

This Company having been established more than Fifty-six years, ample time has elapsed to prove the soundness of the principles on which it has been conducted. During that period its operations have attained great magnitude, and it has enjoyed much prosperity.

Life Department.

The Accumulated Premiums amount to more than £1,650,000.

The Annual Income exceeds £180,000.

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished where the parties assured have applied the Bonus in reduction of the Annual Premium.

At the valuation up to Christmas, 1859, there existed a Surplus of £270,295—the whole of which belonged to the Policy-holders.

The next valuation will be made up to Christmas, 1869. *Policies on the Participating Scale*, in England or Ireland respectively, which may be effected before that date, will, if the parties be then alive, participate in the surplus in proportion to the time they may have been in force.

The sum of £4,013,693 has been paid during the existence of the Office for claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons assuring in Great Britain have the option of Participating Rates of Premium or of Non-participating Rates.

The Rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Non-participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Premiums may be paid *Annually or Half-yearly; during the whole Life; or by a limited number of Payments.*

On Assurance for the whole term of Life, one-fourth part of the Annual Premium may be suffered to remain as a debt on the Policy.

Combined provision may be made for Old Age and early Death, so that a person may secure a sum of money for himself, to be paid at a stipulated Age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature in the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

No extra Premium is required for the voyage to or residence in any part of Europe during peace; nor on the lives of persons in the Army or Navy while residing in the United Kingdom in time of peace.

Residence in Countries beyond the limits of Europe is allowed on favourable terms: in most temperate climates without extra premium: a moderate charge being made for the voyage only.

Whole World Assurances are granted.

Persons holding Policies as securities for money have their interests carefully regarded.

Notices of the Assignment of Life Policies are received and acknowledged.

Advances are made on Policies to the extent of their value.

Persons desiring to surrender their Assurances may receive the value of their Policies in money; or they may, in lieu thereof, obtain a new Policy without further payment of Premium.

Lapsed Policies may be revived within three months on easy terms.

Policy Stamps are not charged for. The services of the Medical Profession are remunerated.

The Directors are ready to receive Proposals for Assurances on any contingency involving payment of a sum at death.

Fire Department.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at Rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other. The Directors can confidently refer to the well-known character of the Company for liberality and promptitude in the discharge of claims made upon it during the Fifty-six years it has been established.

N.B. GOVERNMENT DUTY.—After Midsummer 1861, all Fire Assurances upon Stock, Machinery, Implements, Fixtures, and Utensils in Trade, are subject to the Reduced Duty of 1s 6d per Cent.

The great advantage of an Assurance against Fire to individuals of every class can be confirmed by the fact that this company, while it is annually assuring Property amounting in value to more than £30,933,325, has paid for Losses to the Assured within the United Kingdom, since its institution in 1803, upwards of £1,534,000 sterling.

Tables of Rates, Forms of Proposal, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, 92, Cheapside, London, or to any of the Company's Agents.

## POLMUIR GARDENS.

**JOHN M'PHERSON,  
NURSERYMAN AND FLORIST,**

**A**CKNOWLEDGES with his most grateful thanks the liberal measure of Patronage so kindly extended to him since he opened the above Gardens, and respectfully invites Inspection of his large Collection of Greenhouse Plants and Florists' Flowers, as well as his extensive Fruit and Vegetable Gardens, which are open to the Public every lawful day, where orders given for Fruit or Flowers will receive prompt attention. Polmuir being situated within a mile of the centre of the town, on a lovely slope facing the River Dee, near the Ferryhill Railway Station, and having beautiful walks all round, is in every way eminently suited for a Summer Fruit and Flower Garden.
